

Gentell MATERIAL SAFETY DATA SHEET

Section 1 Chemical, Company & Product Information

Product Name: GENTELL HYDROGEL GAUZE DRESSINGS

Manufacturer: GENTELL
2701 BARTRAM ROAD
BRISTOL, PA 19007

Emergency & Information Phone Number: 800-840-9041

Date Prepared: 10/03/11

Part # 4"x4" 12 ply pad: 10/carton, 4 cartons/case (40 Dressings) **GEN-11400**

Section 2 Hazard Identification

Overview: A personal care product that is safe for use by consumers under all normal and intended circumstances.

Health Effects: Contact with the eyes causes irritation, redness or stinging. Contact with skin should not be irritating when used as intended. Inhalation of high concentrations of vapor may cause irritation, coughing or chest discomfort. An accidental ingestion of this product may cause dizziness, faintness, decreased awareness or responsiveness, nausea or vomiting.

Section 3 Composition & Ingredients

Ingredients (CAS #): Gauze, Water (7732-18-5), Sorbitol (50-70-4), Carbomer (9003-01-4), Triethanolamine (102-71-6), Propylene Glycol (57-55-6), Imidazolidinyl Urea (39236-46-9), Methylparaben (99-76-3), Allantoin (97-59-6), Aloe Vera (8001-97-6),

This product does not contain any ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 or WHMIS under the HPA.

Section 4 First Aid Measures

Eyes: Thoroughly rinse the effected eye for 15-20 minutes with clean water. If discomfort continues, consult a physician.

Skin: If skin irritation develops, discontinue use of the product. If discomfort continues, consult a physician.

Inhalation: If respiratory irritation occurs, seek fresh air.

Ingestion: The accidental ingestion of the product may necessitate medical attention. In the case of ingestion, dilute with fluids and do not induce vomiting. In the event of an extreme case of ingestion consult a physician or local poison control center.

Section 5 Fire Fighting Measures

Flash Point & Method: (PMCC Method) 86.36°F / 30.2°C

Extinguishing Media: Water, Fog or Alcohol resistant foam

Fire & Explosion Hazard: Flammable and may be ignited by heat, sparks or flames.

Fire Fighting Procedures: None known

Section 6 Accidental Release Measures

Procedures for Spill / Leak Cleanup: Clean a spill by absorbing the liquid and cleaning the area with water.

Avoid contact with ignition sources. Wear appropriate protective clothing (safety glasses, boots, apron, etc) where applicable.

Section 7 Handling & Storage

Precautions for Safe Handling: Keep away from ignition sources

Conditions for Safe Storage: Avoid extreme temperatures in storing this product.

Other Recommendations: N/A

Section 8 Exposure Controls & Personal Protection

Household Settings: None under normal use.

Non-Household Settings: Standard Personal Protective Equipment (PPE) should be worn in appropriate settings. Hygienic work practices should always be observed and prolonged contact with skin should be avoided.

Gentell MATERIAL SAFETY DATA SHEET

Color, Odor & Appearance: This product is a semi-solid, clear liquid.

Boiling Point: 84°C

Melting Point: N/A

Flash Point: Approximately 86°F

Percent Volatile by Volume (@110° C): N/A

Section 10 Stability & Reactivity

Stability: Stable

Conditions & Materials to Avoid: Ignition sources

Other Recommendations: None

Section 11 Toxicological Information

Chronic Effects: None

Target Organs: No adverse health effects on target organs.

Carcinogenic Effects: None

NTP: No **IARC:** No **OSHA:** No

Section 12 Ecological Information

The ingredients used in this product are expected to be safe for the environment at the normal concentrations and during typical use. The packaging components are also compatible with conventional waste management.

Section 13 Disposal Information

Disposal should comply with all appropriate governmental regulations and environmental considerations.

Household Settings: Home consumers should not discharge the product into natural waters without pre-treatment and/or adequate dilution.

Non-Household Settings: This product, in its original form, is considered non-hazardous waste according to federal RCRA regulations (40 CFR 261). As stated above, disposal should comply with all appropriate governmental regulations and environmental considerations.

California Waste Code: 331

Section 14 Transportation Information

Packaged Finished Product: The product is considered hazardous by transportation regulations. When transported by ground or rail this product is typically shipped as Consumer Commodity ORM-D. When transported by air this product is typically shipped as Consumer Commodity or Alcohols N.O.S.; depending on the package size. When transported by ocean this product is typically shipped as Limited Quantities. Refer to the current regulations for the exact requirements.

Section 15 Additional Regulatory Information

Perfumes contained in this product comply with appropriate IFRA guidance.

Section 16 Other Information

Disclaimer: This MSDS applies only to the material as packaged for its intended use. If this product is combined with other materials, deteriorates or becomes contaminated, it may pose hazards not mentioned or covered above. Users of this material need to evaluate their conditions of use and apply any appropriate protective measures deemed necessary. This information is offered in good faith and based on the most reliable information available. It is not meant to be all-inclusive. The manufacturer assumes no responsibility for any misuse of this product.
