Gentell Shield & Protect moisture barrier creams form a water-shedding shield that helps soothe and restore dry or irritated skin. Therapeutic against irritation from urine, feces and other bodily secretions. Shield & Protect leaves skin soft and smooth rather than irritated and greasy. Ideal for sensitive skin. **Shield & Protect AF** relieves pain and discomfort of superficial fungal infections.

Directions

1. Remove diaper, barrier or brief.
2. Mist or apply Gentell Liquid Clean to the entire affected area; leave in place for 30 seconds.
3. Gently wipe away all debris: no need to rinse. Pat dry.
4. Apply Gentell Shield & Protect moisture barrier cream to affected area.
5. Repeat after each soiling or according to the policy and procedures of your facility.
