SuperMax Barrier Cream

4 oz
Tube
12/case
GEN-23340
NDC# 61554-233-04

- Thicker, maximum protection barrier cream locks out moisture
- Balsam of Peru improves blood flow
- 10% Zinc Oxide soothes and protects skin

Active Ingredient

- Zinc Oxide – 10% (skin protectant)

Inactive Ingredients

- Petrolatum
- Mineral Oil
- Castor Oil
- DMDM Hydantoin
- Aloe Vera
- Retinol Palmitate Cholecalciferol
- Peruvian Balsam

Gentell SuperMax maximum protection barrier cream protects healthy and intact skin from breaking down during compromised skin conditions. Super Max “locks out” moisture with a high percent of Zinc Oxide along with Balsam of Peru by forming a water-resistant barrier to soothe and protect irritated skin. Contains a gentle natural vanilla scent.

Directions

1. Super Max forms a water-resistant barrier to soothe and protect irritated skin. You can apply SuperMax in the most difficult incontinence situations when skin is no longer closed.
2. Clean the affected area and dry thoroughly.
3. Apply SuperMax liberally and as often as necessary especially when you anticipate prolonged exposure.
